Application to Host

2021-2022 Regional Host for Certification Courses

Who Is NABITA?

The National Behavioral Intervention Team Association (NABITA) is committed to providing education, development and support to school and workplace professionals who endeavor every day to make their campuses and workplaces safer through caring prevention and intervention.

NABITA brings together professionals from multiple disciplines who are engaged in the essential function of behavioral intervention in schools, on college campuses, and in corporations and organizations for mutual support and shared learning. Whether it is to combat bullying, prevent violence, support individuals with disabilities, empower the success of those suffering from mental health challenges, or assist those who are in crisis, our members are joined in common purpose and exploration of best practices.

NABITA is the premier association for behavioral intervention team training, offering a number of courses to meet the growing demand for new and unique professional development opportunities. NABITA Certification Courses provide colleges, universities, and other educational institutions and organizations the opportunity to learn more about the operation and utility of a BIT in a campus setting. Our campus hosted training model allows multiple institutions to gather for training, while simultaneously allowing the host institution to train staff and faculty without the inconvenience of extended travel and associated costs.

This document outlines the requirements for an institution serving as a campus host. You may complete this form manually or complete via the online form.

Most hosted training events are certification courses and qualify for credit through TNG's Continuing Certification Credit (CCC) Program. For more information on the CCC Program, visit <https://www.tngconsulting.com/trainingcertification/continuing-certification-credits/>.

Application Process

Applications are accepted on a rolling basis and reviewed within three weeks of submission. You can find them online at; <https://nabita.org/events/host-a-training-event/host-a-training-event/>

Please note: as applications are reviewed on a rolling basis to build a calendar for the following year, prospective hosts are encouraged to submit applications as soon as possible to ensure consideration before the calendar fills.

The decision to host an event operates on a "first-come, first-served" basis and is determined by variables such as presenter availability, regional location, proximity to other schools and training events, training demand, and the quality of completion for the criteria outlined below.

In an effort to help attendees keep travel costs to a minimum, priority is given to prospective institutional hosts located in major metropolitan areas with easy access to air and ground transportation.

In consideration for partnering with NABITA to host a training event (i.e., assist with recruitment efforts and attain a minimum of ten participating institutions, provide a training facility, audio/visual technology, breakfast and an afternoon snack each day of training, and staff to oversee event and create nametags) the host's registration fee is waived for 10 campus attendees. NABITA reserves the right to fill the training facility to maximum capacity (less host attendees), so please budget appropriately.

Submission Instructions

If you choose to submit a paper application and not complete the online form, each page of this document must be initialed in the lower right corner to confirm understanding of and ability to provide each item outlined below. Please complete each section. Incomplete submissions will not be reviewed.

Please list current COVID-19 guidelines for the host site. This should include social distancing suggestions, shared food policy, sanitation procedures, required temperature checks, proof of vaccination, required waivers, etc.:

D. TECHNOLOGY

- The training room should be equipped with a laptop, one digital projector, a screen, and a wireless microphone for the duration of the course.
- The ability for faculty to control slides from the head table is required.
- One power strip is required at the head table to accommodate faculty needs.
- Free access to wireless Internet within the training facility for all attendees is encouraged but not required. If wireless Internet can be provided to attendees, please note this in your response and include the network name and password.
- A 1:1 ratio for power outlets to attendees is not a requirement, but instead helpful information for NABITA to provide to attendees in advance.
- A member of the A/V or technology staff should be readily available to offer assistance to course faculty as necessary.

I confirm we will be able to provide technology tools and qualified assistance throughout the training event:

_____ Yes

_____ No

Wireless Internet will be provided to attendees:

_____ Yes _____ No

Please note the network and password (if applicable): _____

E. CATERING

The host should provide attendees with a continental breakfast and afternoon snack each day of training. Please budget for the maximum number of attendees per COVID guidelines. If you cannot get budgetary approval for food and beverage catering, please let us know. This will not disqualify any host application.

Continental breakfast should include some combination of:

- Coffee, tea, water, and juice (caffeinated and caffeine-free options)
- Bagels, croissants, muffins, pastries, cereal, fresh fruit, yogurt, granola, etc.

Afternoon snack should include:

- Beverages (caffeinated and caffeine-free options)
- Light snack (cookies, fruit, etc.)

F. OUTREACH AND RECRUITMENT

It is required that each event reach a minimum of 40 attendees. It is the responsibility of the host school to recruit outside groups to attend their training event. The host will assist in marketing and outreach to this end and copy NABITA on all outreach correspondence.

To support our hosts in this endeavor, NABITA will:

- Provide examples of outreach language to host
- Collaborate with the host to plan outreach, including marketing to regional/professional listservs, social media, and local associations. Post the training on NABITA.org

G. REGISTRATION & BENEFIT TO HOST

In consideration for hosting a training event the host's registration fee is waived for **up to** ten attendees from the host's school. A minimum of fifty attendees must be registered before the host school will receive their code to register their team of ten. The number of complimentary registrations received could increase based on the attendance of the event.

- If the host school requires more than ten registrations, the host may register additional attendees at a rate of \$300.00 per person per two-day training or \$200.00 per person per one-day training.
- NABITA reserves the right to fill the training facility to maximum capacity. Please budget accordingly.
- NABITA coordinates all aspects of registration and provides the host with updates regularly.
- The host is prohibited from collecting registration forms or payment.
- All vendor information must be provided to registrants by NABITA directly.
- Registration for a training event will close one business day before the start of training.

H. CERTIFICATION

Most hosted training events are certification courses and qualify for credit through TNG's Continuing Certification Credit (CCC) Program. For more information on the CCC Program, visit <https://www.tngconsulting.com/trainingcertification/continuing-certification-credits/>.

The host contact is responsible for managing registration on-site. A copy of the attendee list will be provided prior to the training. CCC certificate access will be provided via email to attendees individually within one week of the training's completion. Certificates are delivered electronically within 10 business days.

I. TRANSPORTATION AND LODGING

Depending on your geographic location, attendees may have to travel to attend your training. Therefore, they may need transportation and lodging information before arriving.

Please provide the following information regarding local transportation and lodging, including any websites that source this information.

L. CERTIFICATE OF INSURANCE

If you require a copy of NABITA’s parent organization TNG certification of insurance (COI) on file in advance of hosting the event, please inform your NABITA contact at least six weeks in advance of the event. Please also include any instructions about providing and delivering a copy of the certificate, such as adding the host as an additional insured.

Will you require a certificate of insurance?

_____ Yes _____ No

What is the address that should be listed on the Certificate of Insurance?

M. EVENT CANCELLATION

A successful certification training course requires joint effort and collaboration by both NABITA and the host campus. It is the responsibility of both NABITA and the host campus to market the training to ensure a successful turnout. The registration progress is monitored weekly and hosts are provided a status update on registration numbers. Throughout the registration process, in the months leading up to training, NABITA staff will be in touch with the host contact regarding some logistical concerns, including the viability of the event based on registrations.

1. In the event a training does not meet minimum registration requirements as determined by NABITA, NABITA reserves the right to cancel or reschedule the training to a mutually-agreeable date. NABITA understands that there are costs associated with hosting a training and that not all of those may be recouped in the event of a cancellation. In the rare event that a training event must be canceled due to low registration, NABITA will waive the registration fee for the host campus to send up to three of its members to a comparably-priced training event. NABITA also has the right to reassign a faculty member up to the day of the training.
2. In the event of an Act of God (e.g. inclement weather, destruction of facilities, pandemic, and the like) NABITA and the host school will in good faith, attempt to fully perform this training. However, if an act of God prevents performance by either or both parties, both parties agree to make good faith efforts to reschedule the campus hosted event at a mutually acceptable later date.
3. If a host school decides to cancel an event within 12 weeks of the scheduled training date, the host school will be responsible for up to \$1,500 of incurred travel costs. If the host school cancels the training event within four weeks of the scheduled training date, NABITA will have to refund registrants who have already paid and will incur significant staff costs, refund expenses, reputational damage, and the loss of good will of registrants. As a result, the host school will be responsible for paying NABITA an amount equal to the registration revenue received by NABITA up to the date of cancellation (not to exceed \$20,000), as liquidated damages for the cancellation. Cancellation of an event within twelve weeks of training will forfeit the opportunity for said school to host a public event for up to three years.
