

## MISSOURI WESTERN STATE UNIVERSITY PREFERRED NAME POLICY

The Preferred Name Policy at Missouri Western State University allows students to change their first names in most university information systems without pursuing a legal name change. The University hopes to give students an empowering, safe and nondiscriminatory university experience. Reasons for name changes may include transgender or gender nonconforming identities, international students or other students who wish to adopt an English language name, students known by names that are different from their legal names, etc.

You should feel empowered to be called by the first name of your choosing. Equally important, no student should feel pressure to take on an Anglicized name for acceptance or the convenience of others. Students who indicate a preferred first name on their admissions application will automatically have it entered into the university system. Current students can update their preferred first name by request to the Registrar's Office.

Adding a preferred first name does not change a student's official name as a part of their educational record. Your official name is your legal name. The charts listed within this policy detail the student systems and documents where a legal name will be used and where a preferred first name will appear. (The preferred first name will appear either in addition to the legal first name or in place of the legal first name, depending on the system/document.) This list is subject to change as new systems are added or replaced and may not contain all places where your preferred first name may appear.
