OCR Docket Number 07141106

The Fort Zumwalt R-II School District (District), O'Fallon, Missouri, submits this Resolution Agreement (Agreement) to the U.S. Department of Education, Office for Civil Rights (OCR), to resolve allegations of discrimination based on disability against the District and to ensure compliance with Section 504 of the Rehabilitation Act of 1973 (Section 504), 29 United States Code § 794, and Title II of the Americans with Disabilities Act of 1990 (Title II), 42 § 12131, and the implementing regulations of these federal laws.

The District is resolving this complaint during OCR’s investigation pursuant to Section 302 of OCR’s Case Processing Manual. Therefore, OCR has not made any findings of fact or law, or issued a final determination with respect to this complaint. The District agrees to take the following actions, but nothing contained in this Agreement shall be construed to constitute an admission on the part of the District to any of the allegations in this complaint:

1. The District’s Policy on Significant Assistance to Agencies or Programs

   The District will review and, if necessary, revise existing policy or procedure so that policy/procedure prohibits association with or the provision of significant assistance to any agency, organization, vendor or person (“Program Operator”) that discriminates on the basis of race, color, national origin, gender, or disability in providing services or benefits to District students, including providing before and/or after school services to District students. Significant assistance for the purpose of this agreement means the use of District buildings/facilities with no or reduced rental charges, custodial services, food services, and advertising/information dissemination on District grounds.

   The policy/procedure will provide that if the District receives a formal written complaint from a participant, or a participant’s parent/legal guardian alleging that a Program Operator covered by the policy/procedure is discriminating on the basis of race, color, national origin, gender, or disability the District will take all reasonable steps to notify the Program Operator of the formal complaint. In the event that, after notification, the Program Operator will not comply with the nondiscrimination policy or written guidance, the District will initiate steps to terminate all assistance to the Program Operator. Termination of substantial assistance shall be conducted pursuant to applicable District policy, due process considerations, and in compliance with applicable state and federal law.
